

M I G R A T I O N

MIGRAT009EP

## ROB SPARX

BABYLONIAN EP

RELEASE DATE: 07.08.2013

STYLE/GENRE: DUBSTEP

FORMAT: 4 x DIGITAL 320K (MP3) 1411K (Wav)

**Rob Sparx** touches down once again on his Migration imprint with the '**Babylonian EP**' - a four track EP showcasing Rob's trademark production style and more. As the name would suggest the whole EP gives a nod to the dub / reggae foundation associated with the original dubstep sound. This release is seasoned with island spices, and marinated in Rob's classic 8-bit Migration sound.

### *FEATURED TRACKS:*

#### **SYMBIZ SOUND VS ROB SPARX FT. SINGIN' GOLD - 'DUBPLATE VIP'**

Kicking things off with a bang. **Rob Sparx's** take on an original track by **Symbiz Sound** featuring Singin' Gold. 'Dubplate' VIP fuses the Symbiz Sound's Dancehall fire with some outright Rob Sparx dubstep weight. Nod your head to the beat!

#### **ROB SPARX - 'LOOK'**

The second track on the EP kicks off with some all out 8 bit Migration sounds. Stripped back percussion and a subtle throbbing sub set the stage for the Rastafarian edge to make an entrance. Things get switched up a gear towards the middle of the track as everything gets a bit more intense before the hands in the air breakdown that will have your nose itching in the dance.

#### **ROB SPARX - 'PRAYER FOR LIFE'**

Second to last track on the EP, Prayer For Life, offsets the Jamaican flavors with some more eastern sounds. Ethereal vocals wind back and forth around a garage shuffle that will definitely have ladies shaking something.

Watch out for upcoming NexGen releases (12" Vinyl & Digital) featuring, Earth Leakage Trip, D.A, Clart, mSdoS, Faible & Iriann Joyce, and Physical & Crimea & Reborn.
